\$
\$
\$
\$

Are there any other relevant facts relating to the risk to be insured that you should disclose to enable a true assessment of your application before acceptance?

No  Yes  ▶ If Yes, please provide full details

## Privacy Statement

### Purpose of collection

We collect personal information (this is information or an opinion about an individual whose identity is apparent or can reasonably be ascertained and which relates to a natural living person) for the purposes of providing insurance services to you. This includes evaluating your application, evaluating any request for a change to any insurance provided; providing, administering and managing the insurance services following acceptance of an application; investigating and, if covered, managing claims made in relation to any insurance you have with us. The personal information collected can be used or disclosed by us for a secondary purpose related to those purposes listed above, but only if you would reasonably expect us to use or disclose the information for this secondary purpose. However for sensitive information, the secondary purpose must be directly related to the purposes listed above.

### Disclosure

We may disclose your personal information, when necessary and in connection with the purposes listed above, to: your insurance broker or our agent, Government bodies, loss assessors, claim investigators, reinsurers, other insurance companies, mailing houses, claims reference providers; other service providers, hospitals, medical, health professionals, legal and other professional advisers.

### Consequences if information is not provided

If you do not provide us with the information we need we will be unable to consider your application for insurance cover, administer your policy or manage any claim under your policy.

### Access

You can request access to the personal information by contacting us at our address shown on this form.

## Your Duty To Disclose

Before you enter into a contract of general insurance with an insurer, you have a duty, under the 'Insurance Contracts Act 1984' and where applicable the Marine Insurance Act (1909), to disclose to the insurer every matter that you know, or could be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms. You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

### Non Disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce its liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

### Average/Underinsurance

This Policy contains an average clause. This means that we require you to insure for the market value. If you do not do so, and you are underinsured, we will pay you less in the event of any claim, proportionate to the amount of underinsurance. In particular, the amount we will pay is the proportion that the sum insured bears to 80% of the market value, subject to the precise conditions set out in the Policy.

### Third Party Interests

You must inform us of the interests of all third parties (i.e. financiers, lessors) whose interest is to be noted on this insurance. Noting of their interest will not entitle them to be covered as an insured but merely to be given notice of any cancellation lapsing or proposed payment of total loss claim. Their interest will not be protected even to this extent if they are not noted on the policy.

### Subrogation Agreements

Where another person, other than a person exempted by law, is liable to compensate you for any loss or damage covered by the policy, but you have agreed with, or given an undertaking to that person without our written authority, either before or after the loss or damage occurred that you would not seek to recover any moneys from that person, we will not cover you under the policy for any such loss or damage.

## Declaration

I/We hereby jointly and/or severally understand the advice given in relation to the DUTY OF DISCLOSURE, AVERAGE, THIRD PARTY INTERESTS and SUBROGATION.

I/We jointly and/or severally understand that no insurance is in force until such time as the insurer has confirmed acceptance of the proposed insurance. I/We hereby jointly and/or severally hereby agree that if at the request of the company, within 14 days of receiving notice thereof, to obtain from the Commissioner of Motor Transport of the Authority and any government, statutory or regulatory enforcement bodies, having charge of the same, a complete and up to date record of offences in respect of the same which I have been reported and/or convicted. I/We hereby and/or severally declare that the above particulars and statements are true and I/We agree that this proposal and declaration shall be the basis of the contract between Me/Us and the company and be incorporated therein. I/We affirm that I/We have not withheld any information likely to affect the acceptance of this proposal.
