

Fitness to Drive Policy Assessment Guide

This guide is to assist you in reviewing your policies/procedures which ensure your drivers are medically fit to perform their required duties. The process and responsibilities will vary with some specialist freight task and other site-specific rules and regulations that may need to be considered. The checklist should be completed & signed by the responsible manager.

Policy and Procedures Checklist

Yes

No

		Yes	No

The Heavy Vehicle National Law (HVNL) and regulations imposes a primary duty in the chain of responsibility. Businesses are required to comply by identifying their risks, and develop and implement control measures tailored to their circumstances. This Policy format is a **guide only** does not contain a definitive list of Heavy Vehicle National Law and regulatory requirements. To meet your obligations under the HVNL and regulations you are required to seek independent advice to assess your circumstances.
